## *Sommelier Suggestions*

### *Bubbles*

#### **Armand de Brignac 'Ace of Spades' Brut Riems France \$600**

The Ace of Spades Champagne is marvelously complex, full bodied, with a bouquet that is both fresh and lively. Sumptuous, racy, fruit character, subtle brioche accents and a creamy texture. It is a multi-vintage blend of 33% of Pinot Noir, Chardonnay and Pinot Menuier. Produced by the Cattier house, which this family has cultivated since 1763. The gold bottle was originally designed and developed for the Andie Courregas Fashion House.

### *White*

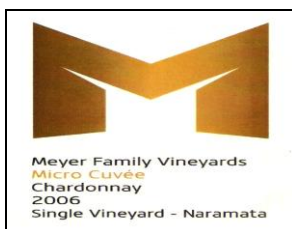

#### **Viognier 2006 L'Ete Copain Mendocino California \$65**

A French style Viognier from an excellent California winemaker. Classic aromas of peach and almonds lead into an elegant yet concentrated palate with a rich texture. Floral, peach and bitter almond persist through a long finish. Try it with our Prawns Provençal

#### **Chardonnay 2006 'Micro Cuvée' Meyer Family Vineyards Naramata B.C. \$130**

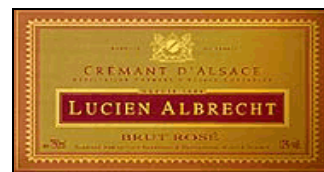

This is the first vintage from Meyer Family Vineyards, and I have to admit I was a bit sceptical of a B.C. Chardonnay at this price. But this wine really delivers! Both concentrated and elegant with great complexity. Flavours of lemon and pineapple unfold into toasty oak and vanilla with hints of peach and nuts on the length. The creamy texture and rich flavours pair well with Crab and Lobster Risotto

### *Rosé*

#### **Brut Rosé Lucien Albrecht Alsace France \$55**

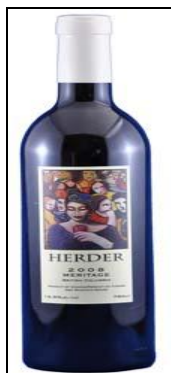

Dry, with juicy fruit and plenty of acidity to balance. A slightly toasty nose of ripe apples and berries continue onto the palate with a subtle creamy texture. Perfect for an afternoon on the patio with a chilled Plateau de Fruits de Mer  
glass- \$15

### *Red*

#### **'Meritage' 2008 Herder Keremeos BC \$45**

This Meritage is 70% Merlot, 15% Cabernet Franc, 10% Cabernet Sauvignon, 3% Malbec and 2% Petit Verdot. Ready to drink now, and if you are a fan of their **Josephine**, this little brother will tide you over till November when I will be putting it on our list. As well try their **Three Sisters**, a blend of Chardonnay, Pinot Gris, Gewurztraminer and Voignier, located on page 8 under **Exotic Blends**.

#### **'Compendium' 2006 Mission Hill Okanagan B.C. \$90**

52% Merlot, with a healthy splash of Cabernet Sauvignon, Cabernet Franc and Petite Verdot from the same pedigree as the cult classic, Oculus. Almost opaque in color, with plummy fruit and smoky aromas. Full bodied with bold yet silky tannin. Notes of blueberry, cocoa, and leather on the palate. This wine begs for meat, pair a bottle with our Rack of Lamb

## The Story of Rose'

Rose' wines are perhaps the most versatile, food friendly wines around. They have had an image problem to overcome, thanks in part to the run of "White Zin", as many consumers mistake Rose' wines to be over sweet and in the category of "starter wine". However, Rose' wine sales are on the rise as savvy Wine Lovers have discovered that many of these pink wines fall into the definitively "dry" category, not sugary sweet and the vast majority of Rose' wines offer a very good wine value for the money. Rose' wines hues come from the short contact time the grape juice has with the grape skin. . Take advantage of our sampler, and enjoy three of our rose's for \$16.00
